N. SUBBA RAO,
Executive Engineer.

BANGALORE DIVISION.

Dated 12th—22nd January 1918.

Notice is hereby given that sealed tenders will be received at the office of the Executive Engineer, Bangalore Division, up to 3 P.M. on Monday the 12th February 1918, for the supply of the undermentioned articles required for the use of the Marlavady Tank Works.

2. Tenders should be submitted on printed forms which may be obtained from the Executive Engineer. The tenders should be accompanied by a statement in the form given below, showing the rates at which the different items specified in the list will be supplied, the rates tendered for such items shall include cost of delivery at the Stores of the Bangalore Division.

3. Each tender must be accompanied by a deposit of Rs. 500 in currency or Government Promissory Notes, as earnest money, and be superscribed "Tender for the supply of articles required for the use of the Marlavadi Tank Works," in default of which, tenders will be rejected.

4. The final acceptance of any tender will rest with the Superintending Engineer, who does not bind himself to accept the lowest or any tender or to assign any reason whatever for the rejection of any tender.

5. On acceptance of one of the tenders, the earnest money on rejected tenders will be returned. The earnest money of the successful tender will be returned when the supply is completed satisfactorily.

6. Articles should be supplied with a fortnight from the date of receipt of the orders.

7. Articles supplied but found not to be of good quality will be rejected and the supplier shall remove the same and shall guarantee to replace the same with fresh ones then and there.

8. If the successful competitors fail to supply the required articles or replace the rejected articles in time, the same will be purchased elsewhere and difference in cost between the rate tendered and that at which the article is purchased will be debited to his accounts.

C. VIJAYARANGAM NAIDU,
Executive Engineer.

KOLAR DIVISION.

Notice.

The attention of the public is invited to the notification published in *Mysore Gazette* No. 4, dated 24th January 1918, pages Nos. 85—86, calling for tenders for restoring the Dimba tank, Registered No. 609 of Kolar Taluk.

Dated 13th January 1918.

Notice is hereby given that sealed tenders will be received at the office of the Executive Engineer, Kolar Division, up to 1st February 1918, for constructing a dispensary with a kitchen and latrine at Pathapalya. An approximate estimate of quantities is given below. These quantities are not guaranteed. The work should be completed by the end of September 1918.

2. The plans, detailed estimate and conditions may be seen at the Executive Engineer's Office at Kolar between the hours of 11 A.M. to 5 P.M.

3. Tenders should be submitted on printed forms which may be obtained from the Executive Engineer. The tenders should be accompanied by a statement in the form given below, showing the rates at which the different items specified will be executed.

4. Each tender must be accompanied by a deposit of Rs. 100 in cash or Government Promissory Notes, as earnest money, and be superscribed. "Tender for constructing a dispensary with a kitchen and latrine at Pathapalya" in default of which, tenders will be rejected.

5. The final acceptance of any tender will rest with the undersigned who does not bind himself to accept the lowest or any tender or to assign any reason whatever for the rejection of any tender.

6. Within eight days of the acceptance of the tender, the successful competitor will be required to execute the usual contract bond; in default of which his tender will be considered cancelled, and his earnest money will be forfeited.

7. The name of the successful competitor, whose tender has been accepted, will be posted on the notice board in the Executive Engineer's Office in due course. No enquiries regarding the acceptance or rejection of a tender will receive any reply.

8. On acceptance of one of the tenders, the earnest money on rejected tenders will be returned.
